Tip! You can use the same pattern to make larger or smaller toys by using finer or bulkier yarn. Make sure to pick a crochet hook at least a size smaller than suggested on the yarn label and crochet tightly enough to achieve a tight gauge that will not allow the stuffing to show through the fabric. You may also need to adjust the size of the safety eyes, nose and joints.

Materials & Tools

- Yarn. I used DK weight cotton and linen blend, 112 m = 50 g (122 yds = 50 g) / 8 ply / 11 wpi. You will need about 115 g or 255 m (280 yds) of yarn - 75 g for the body, 20 g for the shirt and 20 g for the vest and hat.
- 2,25 - 2,75 mm crochet hook (US size 1/B - 2/C) or according to the yarn.
- Polyester fiberfill, wool or wadding for stuffing.
- 9 mm (1/2") safety eyes and 15 mm triangular safety nose or buttons, beads, felt etc.
- Two sets of 20 mm and two sets of 15 mm plastic doll joints or safety eyes and plastic washers or buttons and strong nylon thread or fishing line.
- Embroidery floss.
- Yarn needle, sewing needle, scissors, stitch marker.
