Tip! You can use the same pattern to make larger or smaller toys by using finer or bulkier yarn. Make sure to pick a crochet hook at least a size smaller than suggested on the yarn label and crochet tightly enough to achieve a tight gauge that will not allow the stuffing to show through the fabric. You may also need to adjust the size of the safety eyes, nose and joints.

Materials & Tools

- Yarn. I used DK weight cotton and acrylic blend, 115 m = 50 g (126 yd = 50 g) / 8 ply / 11 wpi. You will need about 50 g of beige, 55 g of blue and 18 g of white yarn.
- 2,50 - 3,00 mm crochet hook (US size 1/B - 3/D) or according to the yarn.
- Polyester fiberfill, wool, wadding for stuffing.
- 9 mm (1/2") safety eyes or buttons, beads, felt etc.
- Two 20 mm (4/5") and two 15 mm (3/5") plastic doll joints or safety eyes or buttons and thread.
- Embroidery floss in dark brown or black and pink.
- Two 10-12 mm (2/5 - 1/2") buttons.
- Yarn needle, scissors, stitch marker.

Choosing joints

Tip! You can use plastic doll joints, cotter pin joints, buttons and thread or even just thread to attach the arms and legs. My favorite are plastic doll joints - they are easy to install, durable and waterproof. Buttons and thread will work great as well, if you can't get your hands on any joints.

Plastic doll joints

1. Plastic doll joints come in three pieces - disk with a stem, washer and a fastener.

2. Disk with a stem is placed inside the limbs, pushing the stem through the fabric.

3. And then locked to place inside the body.

Button and thread joints

Tip! Make sure you use a very strong thread to attach the limbs – it will have to endure quite a bit of tension and can be a bit difficult to mend, should it break. I have found cotton embroidery floss, nylon sewing thread (doubled or tripled) or fishing line work really well.

1. Cut a length of yarn and draw it through the holes in the button.

2. Place the button inside the limb, drawing the yarn tails through the fabric.

3. Place the other button inside the body, draw the yarn tails through the holes and knot them together.

Abbreviations

- **(36)** = number of stitches in a round after finishing the round.

Notes

- Work in a spiral, do not join rounds or turn your work, unless instructed otherwise in the pattern.
- Use a stitch marker or a piece of yarn to mark the end or the beginning of a round. Move the marker up after completing each round.
- All stitches are worked into both loops, unless instructed otherwise in the pattern.

Eyelids (make 2)

With beige yarn:

1: Start with a slip knot about 5 cm (2") from the yarn end and crochet a chain one stitch longer than the diameter of your safety eyes.

Work into the loops on the back of the chains.

2: starting in 2nd ch from the hook, sc in each ch except last, sl st in last ch

Cut the yarn, leaving a long yarn tail for sewing, and fasten off.

Head

With beige yarn:

1: mr, sc 6	(6)
2: inc x 6	(12)
3: sc 2, inc3 x 2, sc 4, inc3 x 2, sc 2	(20)
4: sc 4, inc x 3, sc 7, inc x 3, sc 3	(26)
5-7: sc in each st	(26)
