Tip! You can use the same pattern to make larger or smaller toys by using finer or bulkier yarn. Pick a crochet hook at least a size smaller than suggested on the yarn label and crochet tightly enough to achieve a tight gauge that will not allow the stuffing to show through the fabric. You may also need to adjust the size of the safety eyes.

Materials & Tools

- Yarn. I used DK weight 100% alpaca wool, 100m = 50g (109yds = 50g) / 8 ply / 11 wpi. You will need about 90g of yarn for the fleece and about 40g for the limbs and ears.
- 2,25 - 2,75 mm crochet hook (US size 1/B - 2/C) or according to the yarn.
- Polyester fiberfill, wool, wadding etc. for stuffing.
- 12 mm (1/2") safety toy eyes or buttons, beads, felt etc.
- Cotton embroidery floss.
- Yarn needle, scissors, stitch marker.

Notes

- Use a stitch marker or a piece of yarn to mark the end or the beginning of a round.
- All stitches are worked in to both loops, unless instructed otherwise in the pattern.
